

You're making a
HUGE difference
to people facing breast cancer today.
Thank you

Our target

Our fundraising will help Breast Cancer Care be there from day one to offer care, support and information to more people who need it.

How your money helps

£5

could give people with breast cancer the vital answers they need right now by funding five invaluable **information resources**.

£12

could help us maintain our supportive **online community** and allow people with breast cancer to feel less isolated.

£30

could give a person affected by breast cancer the specialist information and support they need when they need it most through our **Helpline**.

£55

could help a younger woman with breast cancer feel less isolated by attending a **residential course** with expert information, support and a space to connect with others under 45 with the same diagnosis.

£285

could give a woman with breast cancer somewhere to turn after her treatment through attending four sessions of a **Moving Forward** course.

£450

could help 15 people with breast cancer get the support and information they desperately need by calling the specialist nurses and trained experts on our free **Helpline**.
