Thank you to everyone who has so generously donated money, time and gifts in support of our work.

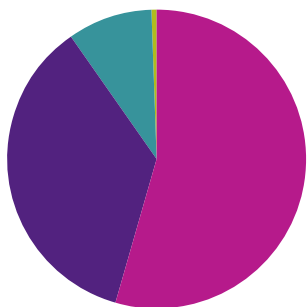

Our income and expenditure 2010-2011

This financial summary is taken from our audited statutory **Annual report and accounts** for the year ended 31 March 2011. You can download our annual reports from www.breastcancercare.org.uk

Through the unstinting efforts of our supporters, volunteers and staff, we increased income from fundraising by 10%. We've developed and extended our services to reach even more people this year. We're using reserves to invest in strengthening Breast Cancer Care so we can continue to grow and better meet the needs of people whose lives are affected by breast cancer.

We rely entirely on voluntary donations, corporate support and grants to support our work. The generosity of our supporters means that we can continue to provide our valuable services to anyone affected by breast cancer.

We value every donation we receive. We would like to take this opportunity to thank the individuals and organisations overleaf.

With your help, we can make sure that nobody has to go through breast cancer alone. Thank you.
